Hi Noel,

Just to clarify, as school will be out very soon, the 9am-2pm timeframe also applies in the summertime when kids are going to summer programs with schedules similar to the school year.

Please confirm this understanding

Thanks

We think 60 - 70 trucks. We are going to use 10 wheelers as the are smaller and more maneuverable.

Hi Noel,

Based on this timeframe, how many truck trips do you estimate will be done in 1 day?

Thanks!

Hi Diana,

I can and will limit trucking to the hours of 9:00 AM to 2:00 PM during school days.

Thank you for your assistance regarding this matter.
