Subject: LAFCo File No. 13-14--Request for Extension of Water Services by the City of Redwood City to Extend Water Service to proposed residences at 058-241-220 and -200, Unincorporated San Mateo County

Pursuant to Government Code Section 56133, Commission approval is required for extension of service by local agencies to territory outside the city or district boundaries. This section requires that the public agency apply to LAFCo by resolution on behalf of the property owner. The property owner is required to submit an application form and fees to LAFCo in anticipation of the City adopting the resolution. The property owner submitted the required materials to the City and LAFCo in early December. This item was placed on the LAFCo agenda in anticipation of the City adopting a resolution of application at the January 13, 2014 meeting. Since preparation of the agenda, LAFCo has been informed that the resolution of application will not be considered by the Council until January 27 and it is therefore necessary to continue this item to the March Commission meeting.
