Dear Ruemel Panglao and Olivia Boo,

We have just received a notice of public hearing for December 10, 2020, 12:30pm. Item 2 on the agenda regards new construction and tree removal on Sierra Street (Monica Rodriguez, PLN2019-00378, Sierra Street, Montara (but really Moss Beach)).

Our comment: If it makes any difference, we would just like to express our hearty support of the tree removal. For years they have blocked a significant section of our ocean view, and we'd love to get it back.

Thanks,
Doug and Donna McCurdy
